11. Capital reduction by cancellation of own shares and by redemption and cancellation of shares held on behalf of the Norwegian State by the Ministry of Trade, Industry and Fisheries – Changes to the Articles of Association § 4

On 7 May 2019 the General Meeting authorized the Board of Directors to acquire up to 13,620,131 own shares with a nominal value of up to NOK 23,154,222.70 in the equity market and from the Norwegian State. Within this frame, the Company has acquired 2,724,026 shares with an aggregate nominal value of NOK 4,630,844.20. In accordance with item (c) of the authorization the shares acquired shall be subsequently cancelled. The Board therefore proposes that these shares shall be cancelled by reduction of the Company's share capital. The Norwegian State has committed itself to participate on a pro-rata basis in the capital reduction. This means that the Norwegian State's ownership interest of 36.21% remains unchanged. The total consideration for the buy-back and redemption of the Norwegian State's shares amounts to NOK 1,532,351,902.03.

The Board proposes that the General Meeting adopts the following resolution, which includes proposed changes to the Articles of Association § 4:

"The share capital of the Company is reduced by NOK 7,259,680 from NOK 463,084,482.90 to NOK 455,824,802.90 by cancellation of 2,724,026 of the Company's own shares and redemption and cancellation of 1,546,374 shares owned on behalf of the Norwegian State by the Ministry of Trade, Industry and Fisheries, for a payment of NOK 554,886,929 with addition of interest and adjusting for paid dividend to the Norwegian State represented by the Ministry of Trade, Industry and Fisheries. This sum represents the average share price paid for the buyback of own shares in the market. The portion of the sum paid to acquire and redeem shares that exceeds the nominal value of the shares will be covered by a transfer from retained earnings of NOK 1,525,092,222.03.

With effect from the implementation of the capital reduction through registration in the Register of Business Enterprises, § 4 of the Company's Articles of Association is amended to read as follows:

The share capital is NOK 455,824,802.90 divided into 268,132,237 shares, each with a nominal value of NOK 1.70."

12. Power of attorney to the Board regarding acquisition of own shares

The Board proposes that the General Meeting approves a new authorization for acquisition of own shares. The existing authorization of the Board will be cancelled at the same time. The purpose of such a new authorization is to allow the Board to optimize the Company's capital structure through buy-back and subsequent cancellation of shares. The authorization is limited to a total purchase of up to 5% of the total share capital of the Company.

The Board proposes that General Meeting adopts the following resolution:

- "(a) The General Meeting hereby authorizes the Board to acquire up to 5% (13,406,611 shares) of the share capital of the Company, with a total nominal value of up to NOK 22,791,238.70, in the market and from the Norwegian State.*
- (b) The purchases of own shares shall be at terms determined by the Board. The purchase price per share shall not be less than NOK 10 and not more than NOK 1,000.*
- (c) The shares acquired pursuant to this authorization shall be subsequently cancelled.*
- (d) This authorization is valid from 7 May 2020 until the next Annual General Meeting but no later than 30 June 2021.*

It is a condition precedent for any purchase and subsequent cancellation of shares that the Norwegian State's ownership (presently 36.21%) is not changed as a result of this."
