

GUIDE FOR ONLINE PARTICIPATION EXTRAORDINARY GENERAL MEETING

Yara International ASA will hold extraordinary general meeting on 6 September 2021 at 16:30 CEST as a digital meeting, where you get the opportunity to participate online with your PC, phone or tablet. Below is a description of how to participate online.

We also point out that instead of participating online, you can vote in advance or give a proxy before the meeting. See the notice for further details on advance voting and how to authorize a proxy. If you vote in advance or give a proxy, you can still log on to the general meeting to follow and ask questions, but you will not have the opportunity to vote on the items. If required a proxy can be withdrawn by requesting this once logged on.

By participating online, shareholders will receive a live webcast from the general meeting, the opportunity to ask written questions, and vote on each of the items. Secure identification of shareholders is done by using the unique reference number and PIN code assigned to each shareholder by the Norwegian Central Securities Depository (In Norwegian either "Verdipapirsentralen" or "VPS") in relation to this General Meeting.

No registration is required for shareholders who want to participate online, but shareholders **must be logged in before the general meeting starts.**

Shareholder who does not find their reference number and PIN code for access or have other technical questions is welcome to call DNB Registrars Department on phone + 47 23 26 80 20 (between 08:00-15:30), or send an e-mail to genf@dnb.no

HOW TO RECEIVE YOUR REFERENCE NUMBER AND PIN CODE

All shareholders registered in the VPS are assigned their own unique reference and PIN code for use in the General Meeting, available to each shareholder through VPS Investor Services. Access VPS Investor Services, select Corporate Actions, General Meeting. Click on the ISIN and you can see your reference number (Ref.nr.) and PIN code.

All VPS directly registered shareholders have access to investor services either via <https://www.euronextvps.no> or internet bank. Contact your VPS account operator if you do not have access.

Shareholders who have not selected electronic corporate messages in Investor Services will also receive their reference number and PIN code by post together with the summons from the company (on registration form).

Custodian registered shareholders: Shares held through Custodians (nominee) accounts must be transferred to a segregated VPS account registered in the name of the shareholder to have voting rights on the General Meeting. Once shares are transferred to the segregated VPS account, a reference number and PIN code are assigned to this account. Please contact your custodian for further information.

HOW TO VOTE

Once the represented shares have been counted, all items will be opened for voting. Items are closed as the general meeting considers them. Items will be pushed to your screen. Click on the vote icon that appears if you click away from the poll.
